

THEO WANNE

Instrument Stand

The products we use hold the space for our creativity. Every Wanne accessory is designed to inspire through its grace and beauty as well as utilizing new technologies and old-world craftsmanship! We create only the very best products for the functionally demanding and aesthetically-conscious musician.

OPTIONS

CUSTOMIZE YOUR STAND

The New Wanne Instrument Stand is available as a double, triple, or quad to hold an alto, tenor, or low Bb baritone saxophone. A low A baritone or curved soprano available on special order. Customize your stand for the configuration of your choice.

CUSTOMIZE YOUR PEGS

Choose up to two pegs on any stand. C Flute, Alto Flute, Clarinet/C-Flute Combo, and Straight Soprano pegs are available. A special Tipped Bell Soprano peg is also available by special order. All pegs are made from solid Maple.

FEATURES

MATERIALS

Only solid premium Walnut and Maple are used throughout the stand. The 'U' shaped bell mounts are three sheets of solid hardwood laminated together making it both incredibly strong and elegant.

Unleash Your Soul

MANUFACTURING PROCESS

All joints are constructed using mortise & tenon construction. Mortise & tenon construction which is

not only incredibly beautiful but is also the strongest wood joint construction possible. The

"male" part of the joint (called the "tenon") and the "female" member (the hole cut into the adjoining member) is the "mortise". The two pieces are completely flush when fit together.
