Sax Musicians Worldwide Vie to Win Revolutionary Wanne Mouthpiece in New Drawing

Master mouthpiece creator, Theo Wanne, announces mouthpiece drawing available to musicians worldwide. Theo Wanne Classic Mouthpieces' grand prize winner can select from any of Theo's revolutionary True Large Chamber mouthpieces, an \$860 value. A selection of premium pressure plates will be included. Theo Wanne Classic Mouthpieces will also give away 10 second place prizes of \$25 gift certificates toward any product in their store.

Making mouthpieces is Theo's way of being of service to musicians. Theo is passionate about helping musicians express themselves musically. Part of the drawing will ask musicians to let Theo know what they would like him to create. Theo feels this is a very important part of the drawing that allows him to connect with musicians.

Theo says, "Being able to offer our premium mouthpieces to someone who might not be otherwise able to afford a mouthpiece excites me. And, hopefully it will allow them to enjoy their art more."

Theo's mouthpieces are famous for their True Large Chamber. Although some other manufacturers use the term large chamber, it designates something different. Theo uses the term *True Large Chamber* in referring to his mouthpieces' because his mouthpiece chambers are 30% larger than traditional large chamber mouthpieces. Although the larger chamber is harder to manufacture, it significantly improves the sound.

Two time Grammy Award Winner Jeff Coffin (Bela Fleck and David Mathews Band) , says "Theo Wanne has done it again! I feel he has brought a new dimension in mouthpieces to us that will not only stand the test of time but will be a benchmark mouthpiece for many, many years to come! Tell the tenor players, the bar has been raised."

Theo Wanne Classic Mouthpieces is excited to offer this drawing for their True Large Chamber mouthpieces and premium accessories to musicians worldwide and invites musicians to enter their drawing at www.theowanne.com.
